INFORMATION AND INSTRUCTIONS

Articles of Incorporation — Profit Domestic Corporations

- Article I—The corporate name of a domestic profit corporation is required to contain one of the following words or abbreviations: "Corporation", "Company", "Incorporated", "Limited", "Corp.", "Co.", "Inc." or "Ltd."
- 2. Article II may state, in general terms, the character of the particular business to be carried on. Under section 202(b) of the law, it is a sufficient compliance to state substantially, alone or with specifically enumerated purposes, that the corporation may engage in any activity within the purposes for which corporations may be organized under the Business Corporation Act. The law requires, however, that educational corporations must state their specific purposes.
- Articles III and IV The law requires the incorporators of a domestic corporation having shares without par value to submit in writing the amount of consideration proposed to be received for each share which shall be allocated to stated capital.
- 4. Article VI The law requires one or more incorporators.

 The addresses should include a street number and name (or other designation), in addition to the name of the city and state.
- 5. The duration of the corporation should be stated in the Articles only if the duration is not perpetual.
- The Articles must be signed in ink by each incorporator. The names of the incorporators as set out in Article VI should correspond with the signatures.
- 7. One original copy of the Articles is required. A true copy will be prepared by the Corporation and Securities Bureau and returned to the person submitting the Articles for filing.
- 8. An effective date, not later than 90 days subsequent to the date of filing, may be stated in the Articles of Incorporation.
